

Downloading eBooks to the Kindle

Select Your eBooks

1. Go to the Copiague Library's website: www.copiaguelibrary.org
2. Click the link "Free e-Books and Downloads" (center of the homepage)
3. The page will take a few seconds to redirect to the Live-brary website
4. Click on eBooks (found on the left menu)
 - Note: The Kindle is only compatible with the "Kindle Book" format
5. Once you have added the books you want to your cart proceed to checkout.

Checking Out Your eBooks

1. Click on "My Cart" (located on the top menu)
2. Click "Proceed to Checkout"
3. Select the "Copiague Library" from the drop down menu.
4. Type in your library card barcode
5. Most eBooks allow you to select from a 7 day or 14 day checkout (some do not give you the option due to publisher restrictions)
6. Click "Confirm Checkout"
7. The eBook is now checked out to your account

Download the eBooks to Your Kindle

1. Click the "Get for Kindle" button
 - a. This button will be available from the checkout page
 - b. If you have left the checkout page: go to "My Account" and then click on "My Checkouts." The Kindle button will be available from here.
2. You will be redirected to Amazon
 - Log in to your Amazon account
3. Make sure the "Deliver To" drop down menu has the name of your Kindle on it
 - If your Kindle has a Wi-Fi option, make sure the Wi-Fi is turned on and connected to a wireless network. When you complete Step 4, your eBook should automatically sync with your Kindle.

- If your Kindle does not have a Wi-Fi option, or your eBook is not automatically downloaded to your Kindle, continue from Step 4 to Step 5.
4. Click "Get Library Book" – Your library book will download to your computer
 - a. If you are using a Kindle Fire click "Sync" in the settings menu (Gear icon in the upper right hand corner). This will load your eBook into the "Books" page of your Kindle Fire. Your download is now complete.
 5. If your Kindle does not have Wi-Fi or the eBook does not download to you Kindle, connect your Kindle via USB (located in the charger cable for your Kindle) to your computer.
 6. On your computer, open "My Computer"
 7. Your computer should recognize that the Kindle is attached and should be displayed as an icon
 8. Double click on the Kindle icon, this should display folders – one of which is the "Documents" folder
 9. Go back to the downloads page on your web browser
 10. Drag the downloaded eBook from the downloads page directly to the Kindle window and drop it in the "Documents" folder
 11. After the Kindle finishes syncing, eject it using the "Eject" button on your computer
 12. Your eBook has been downloaded to your Kindle

Returning Your eBooks

1. If your Kindle's Wi-Fi is on and connected to a wireless network the eBook should automatically disappear.
2. If your eBook does not disappear, the contents are no longer available
3. To delete this eBook from your Kindle:
 - a. Plug in your Kindle to your computer
 - b. On your computer open "My Computer"
 - c. Double click on the Kindle icon
 - d. Open the Documents folder
 - e. Delete the eBook title by selecting the title with your mouse and pressing the "Delete" button on your keyboard
